30 Sabbath Day of Rest	31 Janelle & Vision	Note: This first month of the New Year is a month of surrender, dedication and of asking God to release His power, plans and leadership into Desert Hope Ministries. We seek Him in daily naming the areas/individuals we need Him to move in and through. 'Last' year' is closed. We ask God to seal the good work and behold the 'New Year'. Realign what needs to be realigned. Bring forth strategies. Bring forth Your presence and a furthering of the destiny for Desert Hope and Janelle Hallman & Associates with the hands to accomplish the work. Jesus laid down His life so we could find ours. May He be the Author and Perfecter of our lives, our ministry and Desert Hope as we wait for His return.
